ZacWolRA

• Zacwolra is

A comic adventure animation by grumpy witch Ra, Puzzle Limited Genius Zac, and Ra's pet robot Wol.
Open this door, a place full of traps. Past that aisle, a dungeon full of monsters. And this is a closed room where can't get out if you can't solve the problem. Find a clue to escape! What's happening in a magic space?
Anything can happen in a mysterious and ingenious magic space! Let's solve it in a variety of ways.

ZacWolRA

"Every question has an ANSWER!"

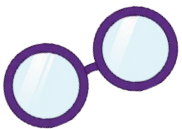

ZAC is A boy who likes puzzles but lacks social skills.
Smart and sensible but weak in physical strength.
ZAC, who gets stuck in a magic space due to an incident,
explores the mysterious and ingenious magic space with Ra and Wol.

• ZAC's SUPER ITEM

ZAC's bag

ZAC's bag which he has with him all the time is filled with various items to help solve puzzles.

Genius glasses

ZAC only available.
Anyway, that's how it is it.

Mysterious Pumpkin Wappen

It's a waffen handed down by Zac's grandmother.
Zac always carries it with him.

WOL

"Wol! (OMG! What a fun and magical place!)"

Wol is a robot made by Ra which does not look artificial at all but just like a normal child. Usually happy and positive but once in need Wol transformed into the always reliable 'Mega'. With the help of various magic balls, Wol transforms into various magical Wol.

• MEGA WOL

With the help of RA's Magical broomstick Wol transforms

• MAGIC WOL

Upgraded version than MEGA WOL.

WOL can upgrade to RA's Magic broomstick and magic balls. RA summon same animal parts as the patterns that appear on the Magic Ball.

ZAC WOL RA

"Nobody is better than me!"

A confident, but always grumpy witch. Ra has diverse knowledge and has lots of magic tools but due to her greedy traits she only helps others when Ra has benefits.

Ra goes on a journey with ZAC and Wol to the magic space to collect hidden treasures.

• RA's SUPER ITEM

Ra's Magic broom

Ra's handy broomstick used for flying and magic

Skull-kull Cape

A cape, made by Ra, with a skull decoration that looks like to talking. There seems to be a hidden function...?
