Log Line

"The corps of viruses that have existed on Earth for 4.6 billion yearsWhen Ukaka attacks humanity to conquer the earth, the guardian god of humanity, NanoFighters LOKAPA, protects the earth and human life."

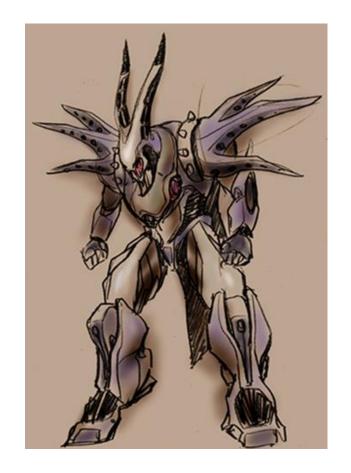

"The human body is another universe!"

The battle between human vs virus race begins!

VS

Lokapa Giant Launch

NanoFighters Lokapa who enter the human body to chase the virus that has penetrated into the human body attack the virus and drive it out of the body. The virus escapes from the body and transforms into a giant virus monster in the air. To defeat the virus monster, the Lokapa warriors summon the Lokapa Giant robot and board it. NanoFighters Lokapa, united with Giant Locapa, defeats the virus monster.
