# 1

## Company Introduction

AK Entertainment is a specialized global contents company founded in 2005. We distribute Korean contents including documentary, drama, animation, entertainment, feature film and IP to all over the world as well as well-made foreign contents to Korea. Also we have started to produce our own contents suitable for diverse media platforms since 2016.

## Company Vision

To become a leading global contents provider

To create interesting and heartwarming contents

To be a stable and reliable partner in business
